Burial Accessories

Nudgee Cemetery has a range of accessories available for burial facilities. These range from granite vases and granite bases suitable for lawn graves to bronze vases, solar lights and statues. Please view our latest price guide included in this booklet.

Granite Bases

The headstone may be installed on a granite base. The granite base provides a more formal appearance and a space for granite vases to be affixed.

Bronze Vases and Lamps

Our bronze vases, lamps, statues and ceramic photos come from Italy.

An order will be placed upon receiving payment, with orders usually delivered within four weeks.
