

Above-ground Burials

Above-ground burials

To accommodate each individual's needs, Nudgee Cemetery offers several types of burial and memorial facilities.

It is recommended to visit the Cemetery to view the various facilities and discuss these options with our onsite staff. Once the desired type of facility is identified, a selection can be made from available sites.

Above Ground Vaults

Vaults are purchased in plain concrete, which allows the family to finish their vault in a style and granite of their choosing. Above-ground vaults are preferred by people who would choose to be interred side-by-side.
