

# Memorial Gardens

Centrally located within the grounds, the Memorial Gardens are for the interment of cremated remains (ashes). At the time of purchase a bronze surname plaque is arranged for the chosen allotment, to be installed soon after delivery within a few weeks. This plaque and a granite plinth are included in the purchase price.

If the remains are to be interred, the family can organise with the Cemetery for a memorial plaque to be added to the granite plinth.

Other options for creating a lasting memorial include the Stations of the Cross Memorial Garden and Garden Edge.
